Re: Amended Request for Correction of Error of Partial Decree for Water Right
No. 65-22425 (Acord)

Dear Clerk:

On March 31, 2015, IDWR submitted to the Court a Request for Correction of Error regarding the partial decrees of water right nos. 65-17068, 65-17767, 65-22204 and 65-22425 to correct errors in county designation ("Original Request"). A further review of the Original Request revealed a Change of Address was filed with IDWR after the Partial Decree was issued in 2002. The address change was not brought to the Court's attention in the original Request that was submitted on March 31, 2015.

To avoid any possible confusion, IDWR is submitting this Amended Request for Correction of Error regarding the partial decree for water right no. 65-22425, requesting correction of the county designation error, and the change of address ("Amended Request"). Amended Proposed Correction is attached to the Amended Request. The Proposed Correction to Partial Decrees 65-17068, 65-17767 and 65-22204 included in the Original Request did not need revision.
