MEMORANDUM

TO: SRBA File A45-11176
FROM: Corey Skinner *CS*
DATE: February 4, 1997
SUBJECT: Amended Claim

This day, V. Thomas Geary came by the office to discuss a proposed transfer application for his groundwater rights involved with his farm southwest of Burley. While discussing the layout of his farm and water distribution system, and by examining maps and aerial photos, it was discovered that one of his SRBA claims, A45-11176, had some incorrect information. Mr. Geary had claimed the wrong legal description for his well location and the location of the two homes served under the well. In addition, the stockwater use that was claimed had only been claimed in unspecified tracts within Section 16 (T11S, R22E).

Mr. Geary stated that the well was used to water cattle in a corral across the road (SESE $\frac{1}{4}$ of Section 09) and also used to water cattle in a corral located in the NWNW $\frac{1}{4}$ of Section 15. In addition, Mr. Geary stated that the only stockwatering in Section 16 occurred within the NENE $\frac{1}{4}$ in a small corral located near the two homes and actual well location. Examination of aerial photos (NAPP & orthoquad) confirmed Mr. Geary's statements. With the assistance of SRBA staff I amended Mr. Geary's claim as reflected on SRBA Amended Claim A45-11176.
