To Whom It May Concern;

This letter is to provide evidence supporting the priority date I claimed on claim No. A45-11196. I will be showing my claim with evidence of "Beneficial Use" on the land.

The ground was purchased January 1, 1968 from Mc Murray Land Livestock. The waste water I made my claim on came off Robert and Gertrude Jarolimek ground which is above mine. I am providing the original crop rotation maps we kept on the two farms. The red outline shows the land the waste water was used on. We used ponds to gather the waste water from Robert and Gertrude Jarolimek farm. The gather ponds are circled in blue pen.

I have receipts for equipment and supplies used to gravity irrigate this ground. Receipt No. 38720 from Simplot Soilbuilders, is for equipment which was for 800 siphon tubes. Receipt No 44916 from Simplot Soilbuilders, is for supplies, canvas dam material and clear visquen (used in ditches to help get water across fill in draws due to the leveling of the ground for gravity irrigation).

I am providing a potato contact with Ore Ida Foods Inc., No. B-585, that shows the legal description of this ground where potatoes were raised in 1968--outlined with green on the map.

Over a period of time I have changed the irrigation system on this ground from gravity to sprinkler irrigation.

The claim is filed under LeRoy Jarolimek because in 1986 I bought out David Jarolimek.
