RE: Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) Claim No. 95-12562

Dear Claimant,

The Idaho Department of Water Resources has received your Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) Notice of Claim to a Water Right. We are unable to recommend your Adjudication Claim at this time for the following reason.

The Notice of Claim to a Water Right identified with the number shown above has been filed for domestic use in one home with a claimed point of diversion located in the NW ¼ of SW ¼ in Section 5, Township 49N, Range 04W. Based off of conflicting parcel ownership and the lack of perceivable land development in the claimed location of the point of diversion, it appeared that an error may have been made in the legal description of the point of diversion. This error was confirmed through our phone conversation on March 8, 2016.

As per our phone conversation, I am sending you an Amended CSRBA Notice of Claim to a Water Right for Claim No. 95-12562 which includes the corrected point of diversion location in the NW ¼ of SE ¼ in Section 5. I am also sending you a parcel location map for you to mark the location of your point of diversion (well). After your review, please return the completed claim form along with the marked location map to our office at the address listed above.

Do not hesitate to contact our adjudication staff if you have any questions. I can be reached by phone during business hours at 208-762-2800 or by email at evan.roda@idwr.idaho.gov.

Best Regards,
