RE: Adjudication Claim No. 95-343

COPY

Dear John:

The Idaho Department of Water Resources is currently reviewing the notice of claim referenced above. During the investigation of your claim I found a previously decreed water right number 95-343 for your property. The water right you originally claimed (95-63) is for your neighbor's property. This water right is for domestic use only, which can be used between 3/1 and 10/31. If you do not use the water for anything other than what was previously decreed, you are fine and do not have to do anything. If you use the water any other time of year, you are required to file an application for permit. Please contact either Keith Franklin or Eric Davis at 208-762-2800 and they will help you through the application process.

Please reference Adjudication Claim No. 95-343 with any reply.

If you have any questions, please call Keith, Eric or myself at 208-762-2800.

Sincerely,

Chad H. Goodwin
Senior Water Resources Agent
