RE: Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) Claim No. 95-7784

Dear Claimant,

The Idaho Department of Water Resources has received your Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) Notice of Claim to a Water Right. We are unable to recommend your Adjudication Claim at this time for the following reason.

The Notice of Claim to a Water Right identified with the number shown above has been filed for domestic and stockwater uses from a groundwater source based on a previously issued water right license. The diversion rate claimed for the domestic use is 0.20 CFS, but the license from which the claim is based upon limits this diversion rate to 0.04 CFS. If filing a water right claim based on a license, the claimed diversion rate must match that of the licensed right. Before this water right claim can be recommended to the Court, an amended claim form with the correct diversion rate must be submitted. For your convenience, I am sending you an Amended CSRBA Notice of Claim to a Water Right for Claim No. 95-7784 which includes the corrected diversion rate for the domestic usage. Please review the claim form, and if you wish to make any further changes, initial those changes before signing the claim. After your review, return the signed claim form to our office at the address listed above within 30 days of receiving this letter.

Please do not hesitate to contact me if you have any questions. I can be reached by phone during business hours at 208-762-2800 or by email at evan.roda@idwr.idaho.gov.
