SUBJECT: WHY DIDN'T HE GET DIRECTOR'S REPORT RECOMMENDATION??
phone call (X) walk-in (.)

Said his neighbor received his recommendation and they share the same well but he didn't receive his? I checked the computer and Sally made an address correction last week (3/19/98). I told him to give it a few days or a week and to call me back if he still didn't receive them...

45-11247, 45-11248

A few minutes later, the neighbor, Dee Bingham, called and explained a little more about the well that is shared. It looks like 45-11247 (Bingham) and 45-11257 (Foreman) share the same well for domestic purposes. He said the well actually sits on the line that divides Lots 6 & 7, Block 2 of the Birch Acres Subdivision. Then they each have an additional well and claim for irrigation they do on their lots. Perhaps the claims for these two 45-11248 (Bingham) and 45-11258 (Foreman) should not make mention of "1 Home" in Remarks as they would appear to be just for the grounds...

They brought in the fed notice with the former owner's name on it. I did an ajq1 search on MARTIN and found A45-11257 and A45-11258 in Forman as current owner and Martin as original owner. The R records were not updated. They also indicated that the address has been changed by the P O. They filled out an address change form. I gave my generic standard reply relating to the federal reserve rights.
