RE: Request for Correction of Error

Dear Mr. Spang:

Please find enclosed the Idaho Department of Water Resources (IDWR) Request for Correction of Error (Request) for water right 57-10150. The Request was filed on January 4, 2016, with the District Court handling the Snake River Basin Adjudication (SRBA).

IDWR mailed a copy of the Request to Elsie Spang in December 2015; however IDWR became aware of a possible mix-up in that mailing. In order to be sure you are aware of the error involving the water right, enclosed please find a copy of the Request. In addition, IDWR has processed the change in ownership of the water right you submitted in January, and the right is now in your name.

The District Court has set a telephone hearing on the Request for April 19, 2016. You do not have to attend or call in to the hearing unless you wish to comment or object to the error correction noted in the Request. The Court will move ahead with the correction if no one objects. Please feel free to contact me at 208-287-4816 should you have any further questions.

Sincerely,

A handwritten signature in blue ink that reads "Vicki Kelly".
