RE: Adjudication Claim No. 95-782

COPY

Dear Brian and Patricia:

The Idaho Department of Water Resources is currently reviewing the notice of claim referenced above. During the investigation of your claim I found a previously decreed water right for your property. This water right is for domestic interior use only, that can be used between 3/15 and 11/15. If you do not use the water for anything other than what was previously decreed, you are fine and do not have to do anything. If you use the water any other time of year, or if you use it to irrigate your lawn, you are required to file an application for permit. Please contact either Keith Franklin or Eric Davis at 208-762-2800 and they will help you through the application process.

Please reference Adjudication Claim No. 95-782 with any reply.

If you have any questions, please call Keith, Eric or myself at 208-762-2800.

Sincerely,

Chad H. Goodwin
Senior Water Resources Agent
