On December 10, 2015, the Idaho Department of Water Resources filed a *Request for Correction of Error* in subcase number 21-12519. The Department requested that this Court set aside the *Partial Decree* issued in that subcase, enter a final order disallowing that claim, and memorialize the water right authorized thereunder as water right number 22-14196. The basis for the request is that the water use memorialized by the *Partial Decree* is located in IDWR Basin 22, and was erroneously assigned a Basin 21 water right number. On December 30, 2015, the Court issued a *Notice of Court's Intent to Issue Partial Decree* in the above-captioned subcase. A hearing on the matter was held on March 15, 2016. No party appeared in opposition to the Court's intended action. For the reasons set forth on the record, the Court determined to issue a *Partial Decree* in the above-captioned subcase in accordance with the Department's request.

THEREFORE, IT IS ORDERED that the above-captioned water right be **decreed** as set forth in the attached *Partial Decree Pursuant to I.R.C.P. 54(b)*.
