RE: Coeur d'Alene-Spokane River Basin Adjudication Claim No. 95-14154

Dear Claimant(s),

The Idaho Department of Water Resources has received your Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) Claim. We are unable to process and recommend your adjudication claim at this time for the following reason.

The Notice of Claim to a Water Right for claim number 95-14154 was filed for the domestic use of water from Lake Coeur d'Alene with a priority date of 11/5/2004. This priority date is in violation of the Mandatory Permit Statute for the water source and purpose of use claimed. The permit system for establishing a water right became mandatory for uses developed from surface water after May 20, 1971 (except for watering stock directly from streams). The statement you provided as evidence along with the year the tax lot was first developed does support a priority date of 12/31/1948, but an amended claim form must be submitted before the change can be made and the claim recommended.

For your convenience, I am sending you an Amended CSRBA Notice of Claim to a Water Right for Claim No. 95-14154 with the appropriate portions filled in utilizing the information from your previously submitted claim form. Please review the amended claim form, and if you wish to make any further changes, initial those changes before signing the claim. After your review, return the signed claim form to our office at the address listed above.

Please Note: If the amended claim form is not submitted, this claim will be deemed invalid and recommended as disallowed to the Court.

If you have any questions or concerns, please contact our office and we will be happy to help. I can be reached by phone during business hours at 208-762-2800 or by email at evan.roda@idwr.idaho.gov.

Best Regards,

Evan W. Roda
