SUBJECT: Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) Claim No. 95-8711
Change in Point of Diversion, Place of Use and Change of Address

RESPONSE DUE DATE: APRIL 29, 2016

Dear Ms. Chaffee:

The Notice of Claim to a Water Right referenced above was filed based on existing water right license number 95-8711. During the review of this claim, it was noticed that the legal description of the point of diversion and place of use on the license and claim is different than that shown on the map. The claim and license show the legal description as T48N R04W Section 23 SWNW (Lot 3); however, the map shows it as T48N R04W Section 23 NWNW (Lot 2). Has there been a change in the diversion and place of use?

For comparison purposes, I've enclosed a copy of the claim, a copy of the license, and a map which shows your parcel. Please review this information and advise if a change has occurred, as we will need to update our records with the proper information. In addition, we need evidence supporting the water usage at its current location. This may consist of affidavits, tax documents, photographs, etc.

Also, we have been notified that the address presently in our records for your CSRBA claim is incorrect. Although we have reached you at the address above, we need your written confirmation this is your correct mailing address before we can change our records. Future notices related to your water right can be sent only to the address on your claim or as otherwise changed by you. Please complete the enclosed Address Change form in order for us to update our records for your water right.

Please return this information by the date shown above, as this will allow me to complete your claim recommendation in a timely manner. I can be reached at (208) 762-2800 or by email at linda.werner@idwr.idaho.gov if you have any questions.

Sincerely,

Linda A. Werner
Water Resource Agent, Sr.
