RE: Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) Claim No. 95-12661

Dear Claimant,

The Idaho Department of Water Resources has received your Notice of Claim to a Water Right for Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) Claim No. 95-12661. We are unable to complete the recommendation of your adjudication claim at this time for the following reason.

The Notice of Claim to a Water Right identified with the number shown above has been filed for the irrigation of three tenths of an acre. The claimed source for the water was listed as "surface water" in section 3 of the claim form. As per our phone conversation, this water source must be specific to the body of water from which you draw your water, in this case Coeur d'Alene Lake.

I am sending you an Amended CSRBA Notice of Claim to a Water Right for Claim No. 95-12661 with the appropriate corrections made. Please review the claim form, and if you wish to make any further changes, initial those changes before signing the claim. A parcel map is also included with the water right claim form. Please mark on the map where all irrigation is taking place. After your review, return the signed claim form along with the marked location map to our office at the address listed above within 30 days of the date on this letter.

Please do not hesitate to contact me if you have any questions. I can be reached by phone during business hours at 208-762-2800 or by email at evan.roda@idwr.idaho.gov.

Best Regards,
