RE: 95-929

Dear Mr. Miller:

You submitted a Notice of Claim for using water on two lots on Twin Lakes. You were informed that the filing fee was waived as a result of an Adjudications Memorandum. That statement was incorrect. The fee is waived if only the ownership of the lot is changed or the right is split. The family has changed the point of diversion and the place of use to a new location, therefore, a filing fee of \$25 should have been paid.

Would you please submit the fee so we can continue processing your claim?

Sincerely,

Kenneth Knoblock
Water Resources Supervisor
