RE: POD location for Claim 95-1041

Dear Claimant,

The Department of Water Resources has received your Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) Claim. We are unable to recommend your Adjudication Claim at this time for the following reason.

The Notice of Claim to a Water Right identified with the number shown above has been filed for the use of three springs for stock watering purposes. Although this water right was previously decreed, the information provided does not include a detailed location of your points of diversion (springs). I have enclosed a parcel map of your property. Please mark the map with the approximate location of your springs and return it to our office at the address listed above. If the location of these springs differs from that of the decreed water right, an amended Notice of Claim to a Water Right form will be required, along with the \$25.00 filing fee. We will move forward with the recommendation of your CSRBA Water Right Claim once provided sufficient evidence of the POD locations. Please submit the required evidence within 30 days, referencing all documents with the corresponding claim number.

If you have any questions or concerns, do not hesitate to contact our office and we will be happy to help. I can be reached by phone during business hours at 208-762-2800 or by email at evan.roda@idwr.idaho.gov.

Best Regards,
