RE: Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) Claim No. 95-12473

Dear Claimant(s),

The Idaho Department of Water Resources has received your Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) Notice of Claim to a Water Right. We are unable to recommend your Adjudication Claim at this time for the following reason.

The Notice of Claim to a Water Right identified with the number shown above has been filed for domestic use in one home with a claimed point of diversion located in Government Lot 2 of the SE ¼ of NE ¼ in Section 25, Township 50N, Range 05W. Based off of conflicting parcel ownership and the lack of perceivable land development in the claimed location of the point of diversion, it appears that an error may have been made in the legal description of the point of diversion. The place of use location (section 9) was left partially incomplete, but was electronically mapped through your online claim entry to be in Parcel No. 043710010020, which lies mostly within the NE ¼ of the NW ¼ in Section 25, Township 50N, Range 05W.

I am sending you an Amended CSRBA Notice of Claim to a Water Right for Claim No. 95-12473 which includes all of the information from your original claim form, except for sections 4 and 9 so the point of diversion and place of use locations can be corrected. I have also included a parcel location map for you to mark the location of your point of diversion (well). If you wish to make any additional changes to the amended claim, please initial those changes before signing the form. After your review, please return the completed claim form along with the marked location map to our office at the address listed above.

Do not hesitate to contact our adjudication staff if you have any questions. I can be reached by phone during business hours at 208-762-2800 or by email at evan.roda@idwr.idaho.gov.

Best Regards,
