

John Loefer was in the office.
Staggers told them that
the Loefer house was
built first on the north side
of the road by Steve Knight.
Knight then built a house
on the south side of the road.

RE: 95-1063

We have received two claims for the same water right. The other claimant is Tony Whitehead. The original water right was owned by Steven Knight and went through the Cougar Creek decree in which was started in September 1986. The purpose of this letter is to attempt to discover who is the owner of this right. If have any information to assist use in making the determination we would appreciate the assistance.

Sincerely,
