Dear Linda:

I went to Kootenai County Assessor with the AIN # 139739 you gave me during our phone conversation. Parcel # 48N04W14S165, I found copy of well install 06-26-1990. That we discussed. I also found copy of Doris Lawton house information dated 01-04-1967. It appears her house was possibly put on lot in 1970.

As I told you, my realtor thought there was an old cabin on lot previous to 1970 house. However the county shows nothing previous to the 1967 paper. I changed the dates on lines #2 on the (2) notices of claim to water right.

Thank you for your help on the telephone last week.
