Re: 95-14823 (Previous 95-4515)

My records indicate that this property was purchased buy my Father and Mother June 15th 1964. My parents formed JAKAR Ventris LLC on February 21, 2001.

Use of water from the lake began in 1965 based on my father's domestic water use claim (95-4515). Not knowing that he had made such claim I completed a second claim (95-14823) under JAKAR Ventris LLC stating the date of priority of 5/1/1968 which was my "best guess" and off by three years. The description of diverting works continues and is accurate.

Please feel free to use either date to avoid having to file further claims.

If further information or clarification is needed please feel free to call.
