Re: CSRBA Water Right Claim 95-13735

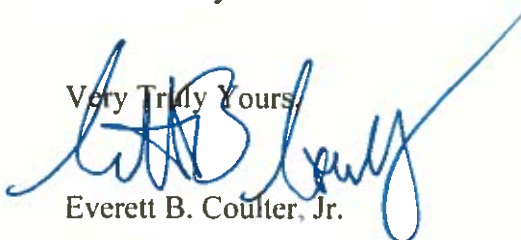

Dear Mr. Roda:

I am a Member/Owner of Coulter Family LLC. I have been provided a copy of your March 18, 2016 letter regarding the Water Right Claim. I just received the letter and cannot respond to provide more information within the stated thirty (30) days. I am in the process of retiring from the practice of law and taking a multi week vacation to the South West United States. I will provide you a response by May 15, 2016.

We use two (2) Springs for domestic water use, not including irrigation, for the family home. These deeded springs are a distance from the owned parcel and I will need to get a better map to depict the spring location. The other water right claim is for fire protection and irrigation. The diversion location is on the subject property. I will need to get copies to depict the diversion location.

Rest assured I will provide the documentation to you as soon as I return from vacation.

Very Truly Yours,

Everett B. Coulter, Jr.
