Subject: CSRBA Claim No 95-8711

Hello Linda,

Thank you for your letter of March 29th about the need to update/clarify information regarding our water right claim. I am mailing a copy of the updated change of address form to the Coeur d'Alene office as indicated on the form.

This email is intended to confirm information I provided to your voice mail today, April 5th, about questions you raised. The copy of our license that you sent is correct and the only evidence I have of our claim. We have had no change regarding our location since the license was issued. The legal description of T48N R04W Section 23 SWNW (Lot 3) is correct. I do not know how the map description was provided.

Our water usage has not changed - it is still domestic use for one home, as listed on the license. If you need further information, please let me know. Thank you.

Sincerely,
Mary Liz
