Re: Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) Water Right No(s). 95-12909
Change of Address/Ownership

Mr. Johnson:

IDWR has been notified the address presently in our records for your CSRBA claim (copy enclosed), is incorrect. Although we have reached you at the address above we need your written confirmation this is your correct mailing address before we can change our records. Future notices related to your water right(s) can be sent only to the address on your claim(s) or as otherwise changed by you.

If there has been a change in ownership of any of the properties connected with the water right(s) referenced above, a Notice of Change of Water Right Ownership form would need to be completed and submitted with the proper documents reflecting this change.

Enclosed for your convenience, are both a Notice of Change of Water Right Ownership and a Change in Address form. Please complete and return the form that will allow us to update our records with current information for your water right.

In addition, it has come to our attention that Charles M. Dodson, whose name appears on your original claim as attorney on your behalf, is now retired and no longer practicing law. If you have retained another attorney to act on your behalf for your water right, we would need to have a Notice of Appearance or Substitution of Counsel submitted by them. If you do not have any legal representation on your behalf, please notify us and we will remove Mr. Dodson's name.

Please do not hesitate to contact our Adjudication staff at 1-800-451-4129 or myself at 208-287-4909 if you have any questions.

Sincerely,

Lori Harris
