Re: COEUR D'ALENE-SPOKANE RIVER BASIN ADJUDICATION
Notice of Claim No. 95-14129

Dear Mary and Leslie Burton,

The Idaho Department of Water Resources (IDWR) is currently in the process of reviewing adjudication claims in your area. During my initial review of claim 95-14129, I found a letter from Mary Burton to Shaun Maxey of IDWR dated 3/3/11, in which Mary requested that claim 95-14129 be amended to update the claimed priority date and diversion rate. In addition, the way the letter is worded, it sounded like perhaps Leslie Burton should be listed as an owner (currently only Mary Burton is identified on the claim as an owner).

In order to make changes to the claim, you will need to submit a signed amended claim. I have enclosed a prepared claim that shows changes from your original claim highlighted in yellow.

Please look over the claim and cross out and initial any changes you wish to make. If you choose to add Leslie Burton to the claim, both Leslie and Mary need to sign the amended claim.

Once completed, please send the signed amended claim to my attention. I have included a prepaid envelope for your convenience.

If IDWR does not receive an amended claim, we will have no option but to recommend claim 95-14129 based on the elements listed in the original claim. Meaning the recommendation will remain in Mary's name only and the recommended priority date can't be any earlier than 11/1/2010.

Please feel free to contact me by phone or Email at if you have any questions or concerns.

Respectfully,

Craig Saxton
Adjudication Technical Analyst
