SUBJECT: Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) Claim Number 95-8553

Dear Mr. Stewart:

I'm writing in regard to the Notice of Claim to a Water Right filed for domestic usage at property located at 15330 S. Kvern Road, with water source of Coeur d'Alene Lake. I have completed the review of this right for decree in the CSRBA and am writing to advise you of the resulting recommendation.

The claim is based on license number 95-8553 which was licensed for domestic, year around usage, for one home with a quantity of 0.04 cubic feet per second (cfs) and 0.6 acre-feet per year (afy). You claimed domestic usage, at one home, from May 1 through November 1 with a quantity of 0.6 afy.

Generally, we will recommend a claim as licensed unless there is a change to the water usage which needs to be addressed. Please let me know if you do not agree with this recommendation. I would appreciate it if you would respond to this letter by **May 9, 2016**, as this will allow us to go forward with the recommendation on a timely basis.

Another item that I would like to bring to your attention: The claim listed the parcel number of the location of the diversion and place of use as 007760010010. However, taxlot data shows the parcel number as 0596000B999B. Consequently, I have changed the parcel number to represent that shown on the taxlot data.

I am enclosing a copy of license number 95-8553, claim number 95-8553, a map, our preliminary recommendation and the taxlot data, for your review. Please feel free to contact me if you have any questions or concerns. I can be reached at (208) 762-2800 or by email at linda.werner@idwr.idaho.gov.

Sincerely,

Linda A. Werner
Water Resource Agent, Sr.
