Re: 95-4092

We are reviewing your Notice of Claim. The claim lists the use for one home. We want to confirm that there only one home being supplied with water.

Hey Ken,

Paul found it. It looks like they did file a claim on line. Was there specific information you needed?

Thanks,  
c

There is. Did you want any specific information about it or just that's it out there? Its OCS ID is 1936.

Hey,

I got a call from Ken and he was wondering if we have a claim filed on-line for Silver Beach Water Association. It would probably be under 95-4092. Could we check the database and see if anything is out there matching this description.

He asked me last week and I totally forgot about it so any help would be really appreciated.
