RE: Coeur d'Alene Spokane River Basin Adjudication (CSRBA) Claim Number 95-15461
Violation of the Mandatory Permit Statute

Dear Ms. Clark:

We have received the affidavit completed by Mr. Asa Clark indicating that the water from Lake Coeur d'Alene has been used for domestic purposes on your property since June, 1985. This date is in violation of the Mandatory Permit Statute for the water source and purpose of use claimed.

The permit system for establishing a water right became mandatory for uses developed from surface water after May 20, 1971 (except for watering stock directly from streams).

Please contact me to make arrangements to amend your claim and/or prepare a water right permit application. IDWR will not be able to recommend that the CSRBA Court issue a decreed water right for your water use in the claims current form. I can be reached at (208) 762-2800 or by email at linda.werner@idwr.idaho.gov.

Sincerely,

Linda a. Werner
Water Resource Agent, Sr.
