Re: COEUR D'ALENE-SPOKANE RIVER BASIN ADJUDICATION
Notice of Claim No. 95-14129

Dear Mary Burton,

I received your amended claim and have made the appropriate changes to the database.

I am returning the \$25 check you submitted with the amended claim as there are no filing fees associated with the amendment. I apologize about the confusion.

I am also enclosing a copy of the "Preliminary Recommendation" which reflects the recommendation that IDWR will eventually send to the court in a Director's Report. Look over your recommendation and let me know if you have any questions. If everything looks ok, **no action is required on your part at this time.**

Sometime around the beginning of 2017, IDWR will send another copy of this recommendation to you through our Notice of Error process and ask you to review the recommendation and submit a document letting us know if you agree or disagree with the recommendation. But, since we have been in contact and I am sending you your check back anyway, I thought I would include the preliminary recommendation for you to look over now.

Please feel free to contact me by phone or Email at if you have any questions or concerns.

Respectfully,

A handwritten signature in blue ink that reads "Craig L. Saxton". The signature is fluid and cursive, with the first name "Craig" being the most prominent part.
