Betsy,

I've attached copies of the information I sent to you on April 7, 2016. Also enclosed is a copy of taxlot information Showing a year built date on your property of 1958. This information could suffice as evidence of priority, if accurate.

Thank you.

We don't receive mail at the property address. We are currently in CA with our mail being forwarded from Spokane. The best solution I believe would be by an attachment to this email address or my phone. 509-998-7929

Thank you.

Dear Ms. Dix:

I am in the process of recommending the above Notice of Claim for recommendation in the CSRBA. I recently sent Mr. Peter Dix a letter requesting more information regarding the claim. However, the letter was returned by the post office stating that you were "temporarily away".

Is there another address where I can reach you, or a phone number where you can be reached? Please contact me as soon as possible regarding this. I will attach a copy of the claim, for your review.
