RE: Signature needed on Amended Notice of Claim to a Water Right (95-12473)

Dear Claimants,

We have received your Amended Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) Notice of Claim to a Water Right, but are unable to process the amended claim at this time for the following reason

The described place of use in Section 9 of the form was left incomplete. Please complete the enclosed claim form and return it to our office. Your amended claim will be deemed invalid and inadmissible until the place of use section has been completed and the claim form is returned to us. I also ask that you return the signed claim form to us before June 02, 2016.

If you have any questions or concerns, please do not hesitate to contact our office and we will be happy to help. I can be reached by phone during business hours at 208-762-2800 or by email at evan.roda@idwr.idaho.gov.

Best Regards,
