Re: Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) Claim No. 95-115A, 95-115B, 95-14671 & 95-14673

Dear Mr. or Ms. Elston:

We're in the process of reviewing the above claims for recommendation in the CSRBA. These are the claims based on the decreed rights for the spring diversion (95-115A), the diversion from Hayden Lake (95-115B), and the beneficial use claims for the two water wells (95-14671 and 95-14673).

I've enclosed a map of your property and ask that you show on this map the location of the spring, the location of the lake diversion, the two wells and where the water is used from each source. Also, has there been a change in the place of use locations, or sources, and if so, when did such change occur?

One more item – it appears that you may have a change of address. I'm also enclosing an address change form and ask that you return this with the maps.

Please return this information, to my attention, by May 27, 2016. Be sure to contact me if you have any questions. I can be reached at (208) 762-2800 or by email at linda.werner@idwr.idaho.gov.

Sincerely,

Linda A. Werner
Water Resource Agent, Sr.
