Re: Subcase 91-7094, Objection to Recommendation

District Court,

Regarding water right subcase number 91-7094, it is the belief that Douglas and Darcy McInturff are to be named sole owners and Jeffrey C. Shippy is to be removed from this claim.

Water right 91-7094, was awarded solely to Al Bruner, St. Maries Wild Rice Growers, on November 3, 1983. Douglas bought the wild rice business on July 15, 2001, and with the business, he purchased water right 91-7094. Change of ownership of water right 91-7094 from Al Bruner to Douglas McInturff and Darcy McInturff took place December 5, 2006, with receipt of such change and documentation received from the Idaho Department of Water Resources. At no point in time is the name Jeffrey C. Shippy associated with 91-7094.

Jeffrey C. Shippy simply owns the land upon which the point of diversion rests. This point of diversion can, and certainly will be, modified in the near future, thereby eliminating any basis for the claim of Jeffrey C. Shippy

Sincerely,

Douglas McInturff

Darcy McInturff
