RE: Ownership of Water Right 95-8116

Dear Mr. or Ms. Poulsen:

We have been advised that there may be an ownership change on Kootenai County Parcel Number 50N05W187250 and water right referenced above.

When a change of ownership involving a water right occurs, a Notice of Change in Water Right Ownership form is required. I have enclosed a copy of this form for your convenience. Note: these forms were received in this office from Mr. Dan Schoenberg on August 14, 2015. At that time I was advised that I would be receiving the signed copies of this form from you; however, to date we have not received them.

Also enclosed is a map of the property. Please show on this map the spring(s) location and place of use for your portion of the irrigation usage. This claim also shows that there is irrigation storage occurring; please show where the storage ponds are located.

Please return the completed form along with the required support documentation to my attention. Note: Mr. Schoenberg also supplied us with a copy of the warranty deed showing transfer of ownership from the Schoenberg estate to you. If this deed is correct, I will not need another copy as I have a copy on file. Please advise.

I'm currently in the process of recommending the claim for court decree so would appreciate it if you would return them by May 27, 2016. If you have any questions regarding this matter, please call me at 208-762-2800 or email at linda.werner@idwr.idaho.gov.

Sincerely,

Linda A. Werner
Water Resource Agent, Sr.
