RE: CSRBA CLAIM 95-13650

Dear Joe,

After reviewing your claim and discussions with Chad Cooper (95-13623), it appears the 5 houses connected to the well will need to file an Application for Permit to validate the water use. I am sending you a permit form to get you started however if you have additional questions I would direct you to the staff at our Coeur D'Alene office. They can be reached at this address:
