RE: Rejection of Water Right Claim

Dear Claimant,

The Department of Water Resources has received your Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) Claim. We are rejecting and returning your adjudication claim for the following reason.

The reason we are rejecting your claim is because the incorrect claim form was submitted. I am returning your original documents to you along with the appropriate Notice of Claim to a Water Right form (42-1409-2). For your convenience, I have filled in most of the new claim form with the information provided on your original submission. Any claim sections that require your additional input have been highlighted. Based on your previous submission, I believe your intent was to file for the domestic use of water within Kootenai County Parcel No. 032800000090. If this is your intention, the filing fee will be only \$25.00. Please review and sign the enclosed claim form, initial any changes made, and return it to our office. Once we have received your completed claim form, the remaining \$75.00 of the \$100.00 you originally sent with your claim will be returned to you. If you choose not to submit a new claim form, the original submission will be deemed invalid and the full \$100.00 will be refunded to you. Your water right claim will be deemed invalid and inadmissible until the signed claim form is returned to us.

If you have any questions or concerns, please do not hesitate to contact our office and we will be happy to help. I can be reached by phone during business hours at 208-762-2800 or by email at evan.roda@idwr.idaho.gov.

Sincerely,
