RE: Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) Claim No. 95-8793

Dear Claimants,

The Idaho Department of Water Resources has received the Notice of Claim to a Water Right form you submitted for Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) Claim No. 95-8793. Before the recommendation is completed for this claim, I want to advise you of the potential options for your claim.

The Notice of Claim to a Water Right for claim number 95-8793 was filed based on the domestic use of water within a boarding school facility which constitutes a commercial use. Although claimed under a licensed right, only the de minimis claim fee of \$25.00 was paid. To claim the full extent of the water use license, a flat filing fee of \$50.00 plus the variable fee of \$4.00 (0.04 CFS diverted at \$100 per CFS) must be paid. Unless the flat fee and variable fee are paid, your claim can only be recommended under Section 42-111(1)(b), Idaho Code, which allows for a maximum diversion rate to 0.04 CFS and a maximum diversion volume of 2,500 gallons per day. The irrigation under this right would also be limited to ½ acre. As you have already paid a \$25.00 filing fee, only the remaining \$29.00 will be required. Additionally, this water right claim has been filed in your names, although the owner of the place of use (Parcel No. 50N05W183220) is currently listed as Dominican Sisters of Idaho, Inc. Unless the Dominican Sisters of Idaho are paying you for the use of the water from your well, an Amended Notice of Claim to a Water Right should be filed to put the water right in their name. Please submit the additional filing fee and/or amended claim to our office at the address listed above within 30 days of receiving this letter.

PLEASE NOTE: If the additional \$29.00 filing fee is not submitted, this claim will be recommended as described above for only 2,500 gallons a day and ½ acre of irrigation.

Do not hesitate to contact me if you have any questions. I can be reached by phone during business hours at 208-762-2800 or by email at evan.roda@idwr.idaho.gov.
