Congratulations

Here's your decreed water right!

You have received your partial decree of water rights in the Snake River Basin Adjudication (SRBA) with this brochure. The partial decree is the SRBA Court's official decision on your water right based on the claim to a water right you submitted.

The term "Partial Decree" simply means your water right represents only a small portion of the future SRBA decree. This partial decree is final; however, you may have the opportunity to correct errors and the right to an appeal.

This brochure is designed to help answer questions you may have about your water right and to provide a way to get more information or to have your questions answered.

Commonly Asked Questions

1. Do I need to do something?

Yes. Carefully check your partial decree to make sure all the information is correct. If there are errors, immediately call the Idaho Department of Water Resources (IDWR) to discuss the problem. You may need to request a change form. In some instances the correction can only be made by the SRBA Court. If so you will need to contact the court or approach an attorney to assist you. The phone numbers are on the back of this brochure.

If the partial decree correctly describes your water right, you do not need to do anything more. However, be sure to keep IDWR notified of any changes in ownership for all your water rights.

2. This is a copy of the partial decree for my water right. Where is the original?

The original partial decree for your water right will be retained by the Snake River Basin Adjudication

(SRBA) Court, and a certified copy will be permanently archived at IDWR. Copies are available upon request.

3. When will the SRBA be completed so my partial decree becomes part of the final decree?

The final decree will be issued at the end of the case when all water rights have been reviewed and disputes resolved. The SRBA Court and IDWR are moving forward as quickly as possible. This is a large, complex case with many legal and technical problems to resolve.

We anticipate that finalization of the process will require many more years of hard work. In the meantime, your partial decree represents a completion of the effort to decree your individual water right, and if you are not advised otherwise you can consider this process complete.

A Very Important Reminder

While the SRBA continues, the law requires that you notify IDWR if there are any name or address changes. If the property to which the right applies changes hands, please file a change of ownership with the form obtained from an IDWR office. Failure to file an ownership change may result in your right not being included in the final decree at the end of the case, a penalty of up to \$100 and restrictions on water use.
