RE: Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) Claim Nos. 95-8964, 95-9028, & 95-9229

Dear Claimant(s),

The Idaho Department of Water Resources has received your Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) Notice of Claim to a Water Right. We are unable to recommend your adjudication claims at this time for the following reason.

The Notices of Claim to Water Rights identified with the numbers shown above were filed based on previously issued water right licenses. The priority dates claimed do not match that of the original water right licenses. If filing a water right claim based on a previously issued license, all claimed uses and limitations must match that of the licensed right. Before these water right claims can be recommended to the Court, an amended claim form with the correct priority date must be submitted for each of the three claims.

PLEASE NOTE: If an amended notice of claim is not received for each of these water rights, IDWR will recommend the claims as disallowed to the Court and the licenses they are based upon will no longer be recognized when the adjudication concludes.

Please do not hesitate to contact me if you have any questions. I can be reached by phone during business hours at 208-762-2800 or by email at evan.roda@idwr.idaho.gov.

Best Regards,
