RE: Ownership of Water Right 95-16235 and 95-16236

Dear Mr. or Ms. Fetterhoff:

Per my phone conversation with Ms. Fetterhoff on Monday, June 20, 2016; enclosed is a change of ownership form which may be used to change the name of the water right(s) to the Billy and Velora Fetterhoff Living Trust. Also, when preparing the letter, I noticed that there are two addresses being used – 9834 Hamaker Rd (Claim 95-16235) and 9699 W Hamaker Rd (Claim 95-16236). Which is the preferred address?

To reiterate our discussion – I have recommended claim 95-16235 with a priority date of May 20, 1934, with source of spring and have put the domestic use at the home and the stockwater usage at the largest building seen on that parcel (the building to the south). For claim 95-16236 which is for the water usage on the northern property, parcel number 48N04W06S600, I recommended a priority date of August 20, 2002, and circled an area around your home which is where I put the domestic and stockwater usage. You may view this information, and map, by going to our website at [www.idwr.idaho.gov](http://www.idwr.idaho.gov). Go to On-line Research, Research Tools and Water Right Search.

Please return the ownership change form, to my attention, as soon as possible. If you have any questions regarding this matter, please call me at 208-762-2802/2800 or email at [linda.werner@idwr.idaho.gov](mailto:linda.werner@idwr.idaho.gov).

Sincerely,

Linda A. Werner  
Water Resource Agent, Sr.
