RE: POD and POU locations for Claim 95-13087

Dear Claimant,

The Department of Water Resources has received your Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) Claim. We are unable to recommend your Adjudication Claim at this time for the following reason.

The Notice of Claim to a Water Right identified with the number shown above has been filed for the use of groundwater for domestic purposes in two homes and a shop. The information provided does not include a detailed location of your point of diversion (POD) or places of use (POU), and with several homes located in the claimed tax parcels, it is unclear which two you wish to claim. I have enclosed a parcel map of your properties. Please mark the map with the approximate location of your well (POD) and your places of use (2 homes and shop) and return it to our office at the address listed above. Clarification is also needed on the nature of water use in your shop. If the shop is used commercially, that will affect the limitations of the water use allowable under this right. We will move forward with the recommendation of your CSRBA Water Right Claim once provided clarification on the shop use and sufficient evidence of the POD and POU locations. Please submit the required evidence within 30 days, referencing all documents with the corresponding claim number.

If you have any questions or concerns, do not hesitate to contact our office and we will be happy to help. I can be reached by phone during business hours at 208-762-2800 or by email at evan.roda@idwr.idaho.gov.

Best Regards,
