

AMENDED DIRECTOR'S REPORT

Subcase No. 92-10225

In Re CSRBA

Twin Falls County Civil Case No. 49576

Report to the CSRBA District Court

Prepared by the Idaho Department of Water Resources
Gary Spackman, Director
Carter Fritschle, Manager, Adjudication Section

June 21, 2016

DESCRIPTIVE SUMMARY

This is an Amended Director's Report submitted by the Director of the Idaho Department of Water Resources (Department).

DISCUSSION

This amended claim (Subcase No. 92-10225 - Johnston) is related to the Johnston late claim (Subcase No. 92-11028) which was included in the Spring 2016 Late Claims Director's Report filed with the Court on April 13, 2016. If an objection were filed to Subcase 92-11028 it likely would impact the amended claim (Subcase No. 92-10225). During a discussion with the Court at the August 18, 2015 hearing on the motion to amend, it was decided that the Department should hold Subcase No. 92-10225 while Subcase No. 92-11028 worked through the late claim process. No objection was filed on Subcase No. 92-11028. However, it has now come to the Department's attention that the parcel number originally recommended for Subcase No. 92-10225 is incorrect. Therefore, the department is filing this Amended Director's Report to correct said error (see attached print-out).
