RE: AMENDED CLAIM 37-17B

Dear Mr. & Mrs. Taylor,

After initially reviewing your claim it appears you may need to amend your claim to correctly claim the water right you own. I hope you have taken the time to investigate the true amount of your right. Enclosed is the amended version of your claim for the one miner's inch of water or 0.02 cfs. If this is correct please sign, notarize and return the claim to me in Boise. Since the reporting deadline is fast approaching I need to get this signed claim back as soon as possible.

Again, review the claim, sign with Notary Public and return the claim to IDWR at the address above to my attention.

If you have further questions on this water right, please feel free to call me at our office.

Sincerely,

STEVE CLELLAND
Sr. Water Resource Agent

RE: Snake River Basin Adjudication
Claim #A37-12429 and #A37-00017B

Dear Mr. and Mrs. Taylor:

We have received two claims from you, A37-12429 for domestic use, and A37-00017B for irrigation use in Blaine County. We have also received your check #3751 in the amount of \$75.00, on receipt #C004927. The \$75.00 filing fee has been split between the two claims in the following manner; \$25.00 paying the domestic use claim in full and \$50.00 being applied toward the irrigation claim.

I have enclosed the form you submitted for the irrigation claim. If you will move to Item #10, Description of Place of Use, on the form, you will see that under the SW $\frac{1}{4}$ NE $\frac{1}{4}$ of Section 27, you have entered "6390" and "2380" instead of indicating the amount of acres you irrigate in that tract, as described in item a of #10. Also, you have failed to note the total number of acres irrigated as requested.

You have provided us with a water right number based on the 1886 decree. In attempting to reference that water right number, we find that this particular water right has apparently been split numerous times since the original decree. Perhaps if you can provide us with the names of some of your predecessors in ownership of the land we may be able to tell which of the splits belongs to your land. On page 3, if you would please note your point of diversion and place of use on the map a little more clearly, it might also help us to locate which water right actually serves your property.

MICROFILMED

Mr. and Mrs. Jack H. Taylor
January 30, 1989
Page 2

After you decide how many acres are irrigated by your portion of water right #37-00017B, please forward to us the additional filing fees owing based on the acres irrigated. For example, if you irrigate ten acres from the water right, you would submit an additional \$10.00. Please round any partial acreages.

Please return the documents to this office at my attention. If you will make these corrections before March 1, 1989, you will not be assessed a late filing fee. Please do not hesitate to contact the Twin Falls office or this office of the department if you have any questions or concerns.

Yours Truly,

Donald V. Shaff
