Re: 95-11727

Dear Mr. Hooley:

When we corresponded with you earlier, we failed to notice that a water right license had been issued to cover the property that you own (Lot 11 Block 1, Rodkey Addition). Enclosed is a copy of the license and your Notice of Claim. To get this right in your name we suggest you do the following on your Notice of Claim:

- 1 - in the upper right hand after Ident. Number, change 95-11727 to 95-7826.
- 2 - in item # 2, change the Date of Priority to 3/20/1978.
- 3 - in item #6, change the C.F.S. from .02 to .045 and the A.F.A from 0 to 1.2.
- 4 - initial all changes and return the claim to you office.

Thank you for your co-operation.

Sincerely,

A handwritten signature in black ink, appearing to read 'Kenneth Knoblock'.

Re: 95-11727

Dear Ryan:

We are returning your Notice of Claim. The date of priority is listed as January 1, 1977. When a new diversion of surface water is started after May 20, 1971, an appropriation permit had to be obtained first. The date of priority is the date the water was first used regardless of who owned the property. If the priority date of your claim is incorrect, then change the date (initial it), sign page 2, and return the claim. If the water was first used after May 20, 1971, then you need to file an application, to secure water rights.

Sincerely,

Carolyn Monitz
Technical Records Specialist
