Re: SRBA Claim(s) A37-29, A37-40, A37-41, A37-42, A37-363B, A37-364B
Glendale Farm LLC

Dear Mr. Speck:

Pursuant to the change in ownership request that has been submitted to the Department, we have changed the record of current ownership to your client. Please find the enclosed copies of the computer records of the claim(s) noting the change in claimant. Review these records and if there is an error, or you have any questions, please contact this office.

The deed submitted with the ownership change conveys water right 37-363 in the amount of 81.50 inches (1.63 cfs). Claim 37-363B is actually for 101.50 inches (2.03 cfs). Since no split was indicated on the owner change form and all the property was conveyed, I changed ownership of the entire claim to Glendale Farm LLC. If I made the change in error, please contact me with instructions on the disposition of the 20 inches in question.

Sincerely,

A handwritten signature in cursive script, appearing to read 'Trish'.
