RE: CSRBA CLAIM 95-16374 & 95-16375

Dear Mr. Ross,

Your claims for water rights are being reviewed for accuracy and recommendation to the court. Your claim file does not indicate the location of the well and springs you have claimed

Enclosed is an aerial map of your properties as related to the water right claims above. If you could will you mark the locations of the well and the two springs that correspond to the water right claims. I have included a brief report of each of the claims for your information.

Please return the map in the enclosed envelope to me. Without this information the claims will not be recommended correctly.

Feel free to contact me on these issues via phone, email or mail.

Sincerely,

A handwritten signature in blue ink that reads "Steve Clelland". The signature is fluid and cursive, with the first name "Steve" and last name "Clelland" clearly distinguishable.

STEVE CLELLAND
