RE: Ownership of Coeur D'Alene-Spokane River Basin Adjudication (CSRBA) Water Right No. 95-11934

Dear Property Owner,

Our office has been advised that you may be the new owner of Kootenai County Parcel Number 50N05W080300 and the water right referenced above.

We are in the process of recommending claims that have been filed in the CSRBA, and per data we have reviewed, it appears that water right claim 95-11934 is appurtenant to the property you own. Before we can modify our records to reflect your ownership of this right, we need to have the enclosed Notice of Change in Water Right Ownership form completed and submitted with the proper conveyance documents showing your ownership. A copy of the signed and notarized warranty deed works best for this purpose. Please follow the instructions included with this form and return it to our office with all the required information.

Further clarification is also needed on your water system. This water right claim was filed for the domestic use of groundwater from two separate wells for one home and an outbuilding with living quarters. If the two wells are connected through separate systems, then claims should be filed for each water system.

If you have any questions regarding this matter, please contact our adjudication staff at 208-762-2800.

Best Regards,

Evan W. Roda
