RE: Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) claim 95-9417
Insufficient Filing Fees

Dear Wetzel, Wetzel & Holt:

The Idaho Department of Water Resources (IDWR) is currently in the process of reviewing claim 95-9417 filed in the CSRBA. Notice of Claim 95-9417 reflects the elements of license 95-9417 which authorized use of water for domestic purposes and irrigation of 1 acre. The filing fees for claim 95-9417 are as follows:

\$50 claim fee
\$1 variable fee for 1.0 acres
\$0 variable fee for Domestic use (if the use does not exceed 13,000 gallons per day)
Total = \$51.00

We previously received \$25.00 in claim fees under receipt # N019893. Fees paid are consistent with filing fees associated for a claim for domestic use only.

In order for IDWR to be able to recommend irrigation as a valid use, additional fees in the amount of \$26.00 is required. Please submit the additional fees to my attention, referencing the claim number 95-9417, within the next 30 days.

Please feel free to contact me if you have any questions.

Respectfully submitted,
