RE: Snake River Basin Adjudication (SRBA)
Ownerships and Parcel Numbers

Dear Judy,

I'm about 80% through the rights I verified at your office. Whew! Thank you for helping all the folks I'm sending your way.

I've enclosed photocopies of 10 recommended water rights I have questions on. I've simply stuck a Post-It to each one, copied it, and then highlighted my questions. Answers can be written right on these copies, if you like, and then returned to me. Whatever method will be easiest for you is fine with me. I just need the answers before I can finish these rights. I'll have a few more to send you just before Thanksgiving, I hope.

I appreciate the help you and your extremely competent staff gave me when I was verifying rights in your office. I haven't had that much fun working for years! Give me a call if you have any questions, please. (1/800-451-4129)

RE: Snake River Basin Adjudication Claim No. A45-12580

Dear Mr. & Mrs. Belnap:

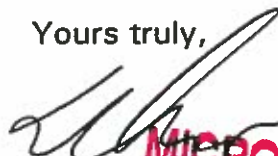

I have received your additional undated reply to my June 20, 1994 letter seeking additional information regarding your request for refund of the late fee for claim no. A45-12580.

I asked my staff to review the names of all individuals who appeared at the Cassia County office during the three weeks it was located at the Cassia County Sheriff's Office. They could not find your name as having come to the Cassia County office. The lists of individuals who did appear do show that some individuals were given Request for Extension of Time forms to ask for additional time to file their claims. Extension requests from at least some of those individuals were processed by the Department shortly after the Cassia County office was closed. Our records show the staff stayed late most evenings to assist claimants file their claims.

It would have been contrary to the direction given to Department staff for them to instruct claimants that they would be given additional time to file without also providing a Request for Extension of Time to File and Adjudication Claim.

Based upon the information from the Department's records and the fact that five years have passed since the claims taking office was in Cassia County I can not grant you request to waive the late filing fee for your claim no. A45-12580. If you have additional information to show that you diligently pursued the timely filing of you claim I will consider any additional information you provide to me.

Yours truly,

David B. Shaw

Re: Your letter dated June 20, 1994 & the return of a copy of our request for a refund on "late charges".

Because the information you requested is over five years old. I have some of it, but not all.

We attempted to file the original claim three times during the time span your office was in the basement of Cassia County Sheriff's Office. Each time there was a line from the office door, down the hall and out to the front door. Each time, after standing in line for quite some time, a person from your office would step out into the hall and tell the people standing in line, they could only answer so many questions to so many people. "If you have a small acreage and the minimum claim, you will be given time to file. You don't have to file right now". There seemed to be some question on their part if we (the small claims) needed to file. A lot of confusion.

WHEN: Within the allotted time frame. Exact dates (?)

WHERE: Downstairs Cassia County Sheriff's Office. Far end on the right. Room # (?)

WHY: We were asked to.

WHO: (?) I don't know. All of the people I saw were from out of town. The people that told us to wait, were the people working in your office at the time.

I'm sorry that I don't have all the information. I didn't get names of the people or record the dates because at the time, I thought because of the crowd and all the confusion of the people working in the office, we would be given a second notice. It seemed they were not sure, so we were not sure.

Since that time we had not heard a word, so we let it go, thinking we would receive notification. When we did, it was with the late charge.

Thank you in advance for your help in this matter.

RE: Snake River Basin Adjudication Claim
#A45-12580

Dear Mr. & Mrs. Belnap:

I am returning a copy of your Request for Extension of Time to File Adjudication Claim dated April 19, 1994 for your property, with no action taken.

Before I can act upon your request for refund of the late fees, I am requesting further information. Please describe when and where attempts to file the original Notice to a Water Right were made and with whom you spoke. I particularly am concerned about where you tried to file and why you feel you were turned away. IDWR records indicate you were mailed proper notice of Cassia County filing dates to your Declo address on 3/6/89.

If you would please furnish me with the above information and any other pertinent information regarding why the Notice of Claim was not filed during the original filing period in your county (Cassia County was from 3/6/89 to 6/8/89) and return to this office, I will be able to make a decision on this matter.
