RE: Claims filed by Weyerhaeuser

On October 2, 1992, John Currin of Potlatch Corporation wrote IDWR to inform us that Potlatch has no intention of filing on water rights 84-04053 and 84-04052 in the SRBA. Because these claims had already been drafted and entered on the temporary database, IDWR completed the data entry using the "N" status (not claimed). However, in October, 1993, Weyerhaeuser filed claims on 84-04052 and 84-04053. The claims that Weyerhaeuser filed have replaced the "N" status claims in the SRBA database.

RE: 84-4052 & 84-4053

On October 25, 1993, Weyerhaeuser submitted two Notice of Claims in the Snake River Adjudication (copies enclosed for your reference). It appears that you may now own the property. If you do own the property, and the water is still being used, and you want your name in the final recommendation, then you need to file a change in water right ownership form. Be sure to include a copy of the sale as described in item 2. B.

Thank you for your cooperation.
