Natalie Carlson,

Thank you for speaking with me over the phone to clear up the ownership questions we had about your property (Tax Parcel No. 50N05W106800). If you wish to change the ownership of CSRBA Water Right Claim 95-11702 from your son Kynny's name to the name of your LLC, Natco Properties III, then a Notice of Change in Water Right Ownership form will need to be submitted along with a copy of the deed transferring ownership of the property to the LLC. The ownership change form will need to be signed by an authorized officer of the LLC. A copy of the annual report for the LLC will also be needed to show that the person signing the ownership change form has a right to do so.

Another way you can correct the claimant name on your water right is to file an Amended Notice of Claim to a Water Right. The amended claim would list Natco Properties III, LLC as the claimant and would need to be signed by the original claimant, your son Kynny, and also an authorized officer for the LLC. If Kynny is an officer for the LLC, then his signature will suffice.

As per your request, I have attached a copy of the online Notice of Claim to a Water Right form submitted to our department by Kynny Carlson January 3, 2010. If you have any further questions, please contact our office and we will be happy to help.

Best Regards,
