RE: Notice of Claim to a Water Right Number 95-4632

RESPONSE DEADLINE

DATE: August 29, 2016

To Whom It May Concern:

We are currently reviewing the above numbered claim for recommendation for decree in the Coeur d'Alene-Spokane River Basin Adjudication (CSRBA). A review of the file shows that we are in need of several items relating to your claim:

1. Signed Notice of Claim – We do not have a signed copy of the original Notice of Claim. Enclosed are two copies of the claim. Please sign and date this claim under the organization block found on page two, number 15. The second copy is for your records.
2. The claim indicates your water usage is based on "Beneficial Use" or "Statutory Claim". Water rights of this type are established by the historic use of water, dating back to when water was first used for the purpose claimed, and are termed beneficial use rights. The date of first use, known as the priority date, has not been confirmed by a License, Decree or Permit. Since the priority date and historic use of a beneficial use right cannot be confirmed by field examination, proof must be provided by the claimant supporting the priority date claimed and the historic use of the water.

Some examples of documents which may be used as evidence of the priority date are: affidavits from someone with personal knowledge of when beneficial use was first made, sales receipts for equipment or materials used in the water system, or records of the person or business who sold, installed or constructed the diversion works.

PLEASE NOTE: IDWR will recommend the Northern Idaho Adjudication (NIA) Court decree the claim disallowed if no evidence of the priority date and of the historic use is submitted.

3. Enclosed is a map of the property. Please show on this map where the water is diverted from the lake and where the water usage is occurring.

Please submit this information by the date shown above as this will allow us to complete the recommendation on a timely basis. If you have any questions, I can be reached at (208) 762-2802 or by email at linda.werner@idwr.idaho.gov.

Sincerely,

Linda A. Werner
Water Resource Agent, Sr.
